Message Title: The END of The Illuminati Treaty and The Declaration of Bad Blood

Message Link: <https://www.youtube.com/watch?v=Qcly9NiNbmo>

Published: May 17th 2015

Message From: Rothschild and the Zionists

Message To: Asian Cabal and The Vatican P2 Lodge

Subject: End Of Illuminati Treaty, Declaration of Bad Blood And The Start Of War

Summary:

The Zionists have declared that the joining of Asian Cabal and P2 with the Russians and their coordinated attacks on the Zionists through the BRICS attempt at controlling the financial system and the killing of its banking agents is a breach of the Illuminati agreement drawn up before; and as a result the Illuminati Agreement is at an End and a declaration of "Bad Blood" is now in force as per the Masonic tradition of dispensing justice. The attack to start on the Asian Cabal and through the domino process Russia and the rest of the BRICS to be attacked later. This video is the full messages including the planned take down of The Asian Cabal and P2 to be shown in full view of the world. This message is a series of previous warning messages given by the Zionists through Taylor Swift videos as listed below too.

Message Overview:

Here is the message reconstructed back from the communication:

- We told you to cast off the Russians. You have forsaken us and not heeded our warnings.
- You two proceeded against our advice and therefore we are going to fight it out.
- Furthermore, you forcefully taken our shared assets, thrown my bankers from office windows and killed them, therefore we declare BAD BLOOD.
- We both operate as per the great oath bond between us.
- You have now broken that oath, therefore fuck you dick heads we are coming after you.
- The Treaty of Illuminati is now proclaimed as Broken and shattered.
- We will start by seizing the Asian Cabal Triad assets.
- The Asian Cabal assets will turn Into Dust and they will be turned into our dogs.
- We will break the Asian Cabal financial system.
- In their own homes the Asian Cabal will see this happening.
- The fighting will be done between the Asian Cabal themselves.
- We will take all your stuff Mother Fuckers.
- We do all this from our Los Angeles based operation centre.
- The Asian Cabal throat will be cut according to Freemason traditional punishment for betrayal.
- The Asian Cabal collapse destroys Russia in accordance with Freemason traditional punishment for oath betrayal.
- Russia's head and economy will then be destroyed.
- This is the curse committed for breaking The Treaty and joining with the Russians, with punishment through the use of Russian Mafia and Triad infiltrators.
- Russia will be taken over next after the Asian Cabal.
- We will fight with Russia second and the rest of BRICKS later.
- Fuck you Russia, now you stand alone, now that Asian Cabal is down.
- Russia and the rest will be destroyed.

Bad Blood

- Like a domino they will all fall using our hidden agents.
- Is all this blood justice or lunacy?
- Your betrayal made the head of our order and global leader stressed.
- So we will destroy the world economies though the banking system.
- The countdown for destruction of the Asian Cabal Triad and P2 has begun.
- Let the battle begin.

33	03:51	<The Two Sides Start Fighting>	Let the battle begin

The verbal message stated in the lyrics:

"Bad Blood"

'Cause, baby, now we got bad blood
 You know it used to be mad love
 So take a look what you've done
 'Cause, baby, now we got bad blood
 Hey
 Now we got problems
 And I don't think we can solve them
 You made a really deep cut
 And, baby, now we got bad blood
 Hey

Did you have to do this? I was thinking that you could be trusted
 Did you have to ruin what was shiny? Now it's all rusted
 Did you have to hit me, where I'm weak? Baby, I couldn't breathe
 And rub it in so deep, salt in the wound like you're laughing right at me

Oh, it's so sad to think about the good times, you and I

'Cause, baby, now we got bad blood
 You know it used to be mad love
 So take a look what you've done
 'Cause, baby, now we got bad blood
 Hey
 Now we got problems
 And I don't think we can solve them
 You made a really deep cut
 And, baby, now we got bad blood
 Hey

Did you think we'd be fine? Still got scars on my back from your knife
 So don't think it's in the past, these kinda wounds they last and they last.
 Now did you think it all through? All these things will catch up to you
 And time can heal but this won't, so if you're coming my way, just don't

Oh, it's so sad to think about the good times, you and I

Bad Blood

'Cause, baby, now we got bad blood
You know it used to be mad love
So take a look what you've done
'Cause, baby, now we got bad blood

Hey

Now we got problems
And I don't think we can solve them
You made a really deep cut
And, baby, now we got bad blood

Hey

Band-aids don't fix bullet holes
You say sorry just for show
If you live like that, you live with ghosts (ghosts)
Band-aids don't fix bullet holes (hey)
You say sorry just for show (hey)
If you live like that, you live with ghosts (hey)
If you love like that blood runs cold

'Cause, baby, now we got bad blood
You know it used to be mad love (mad love)
So take a look what you've done

'Cause, baby, now we got bad blood

Hey

Now we got problems
And I don't think we can solve them (think we can solve them)

You made a really deep cut
And, baby, now we got bad blood
(Hey)

'Cause, baby, now we got bad blood
You know it used to be mad love
So take a look what you've done (look what you've done)

'Cause, baby, now we got bad blood

Hey

Now we got problems
And I don't think we can solve them
You made a really deep cut
And, baby, now we got bad blood

Hey
