Daughter Of CIA Assassin Paymaster Tries To Bring Down Trump Supreme Court Nominee Kavanaugh

By: Sorcha Faal, and as reported to her Western Subscribers

An intriguing in-depth new **Foreign Intelligence Service (SVR)** report circulating in the **Kremlin** today states that a **Stanford University Psychiatry Professor** named **Dr. Christine Blasey** has become the latest centerpiece of a **Central Intelligence Agency (CIA)** plot to harm **President Trump** with **her last-minute allegation, just days prior to US Senate confirmation, that Supreme Court nominee Brett Kavanaugh had attempted to sexually assault her over 30 years ago when they were teenage school children**—while being kept from the **American** people about **Dr. Blasey** is that she currently oversees the **CIA Undergraduate Internship Program** **Stanford University** developed by the notorious **CIA-connected Stanford University Psychiatric Professor Dr. Frederick T. Melges**—who himself, in 1985, **took into his care the homeless woman Lois Lang who assassinated CIA paymaster Nick Deak**—and that afterwards saw the **CIA's** black operations monies being controlled by **Ralph G. Blasey Jr.**—who, not so mysteriously, **just happens to be the father of Dr. Christine Blasey**. [Note: Some words and/or phrases appearing in quotes in this report are English language approximations of Russian words/phrases having no exact counterpart.]

WHY IS THIS RELEVANT?

WHAT IS THE MOCKINGBIRD PRESS?

According to this report, with **Trump** being warned, just prior to his assuming the presidency, by the powerful **Democratic Party US Senate Minority Leader Chuck Schumer** that **US** intelligence services “*have six ways from Sunday at getting back at you*”, this past nearly two years has shown just how prescient this warning was—and whose latest “*strike back*” against **Trump** is coming courtesy of a rogue **CIA** faction who have just trotted out for public display **Dr. Christine Blasey** (*married name Christine Blasey Ford*)—who claims that as a young high school teenager **Brett Kavanaugh**, also a high school teenager, tried to sexually assault her—but whose “*evidence*” for this being true shows **Dr. Blasey unable to name the exact year it happened, her not remembering where the incident took place or how she got home, her not being able to remember key details of the incident, her not remembering how the gathering came together the night of the incident, and her not telling anyone else about at the time—but should be expected to be the case from an unproven salacious allegation of this sort as it comes from a woman **supporting the Democratic Party** and who, also, **hates President Trump**.**

As the **“Deep State”** aligned **US** mainstream propaganda media began flooding the airwaves, newspapers and internet with **Dr. Blasey’s** claims against **Judge Kavanaugh**, that have absolutely no proof or evidence behind anyone could ever investigate, this report continues, **SVR** intelligence analysts were immediately able to bring up her file in the archive of known and/or suspected **CIA** operatives—and whose placement in this file was due to her extensive and advanced educational training at **Stanford University** in the **CIA-**

CIA research notes of Stanford University Psychiatric Professor Dr. Frederick T. Melges

Linked to **Dr. Blasey’s SVR** file of known and/or suspected CIA operatives, this report notes, is that of her father **Ralph G. Blasey Jr.**—a proven CIA operative who, from June-1962 to January-1974, **was the Vice President of National Savings and Trust of Washington, D.C.**—a CIA black budget bank best known for being **100 paces from the White House**, and whom, in 1998, **was taken over by SunTrust Bank**—whose majority share owner is the CIA-linked investment fund **BlackRock**.

The importance of noting the CIA banking connections of **Ralph G. Blasey Jr.**, this report explains, is due to the outbreak of what is now known as the “**CIA Bank War**”—and whose start of, in 1982, a CIA seized from publication news report (**Declassified in Part-Sanitized Copy Approved for Release 2012/09/05: CIA-RDP90-00965R00150010-7**) describes as: “**This is Wall Street, the center**

“There is no such thing... in America, as an independent press... If I allowed my honest opinions to appear in one issue of my paper, before twenty-four hours my occupation would be gone. The business of the journalists is to destroy the truth, to lie outright, to pervert, to vilify, to fawn at the feet of mammon, and to sell his country and his race for his daily bread. You know it and I know it, and what folly is this toasting an independent press? We are the tools and vassals of rich men behind the scenes... Our talents, our possibilities and our lives are all the property of other men. We are intellectual prostitutes.” John Swinton, New York Times Chief Editor 1880

instinct, other O.S.S. veterans sided alongside, explaining that they were prepared to divert any aggressive newsmen. The veterans said they regarded Mr. Angleton as the father of counterintelligence in the United States and a dedicated patriot.

Mr. Angleton, a tall, stooped man who looks as though he had spent most of his life in libraries, remained quiet for a while.

However, when he was asked about Africa, he expressed disagreement with the opinion of the United States Ambassador to the United Nations, Andrew Young, who recently called Cuban forces on that continent "a stabilizing influence."

Mr. Angleton, his voice very steady, said:

"The classic cases of stabilization were Hitler's and Stalin's. I do not think the Cubans are stabilizing Africa at all."

This was the only overt intrusion of seriousness in the evening of reminiscences about an organization that included Virginia Hall, who, despite her wooden leg, parachuted into France; John Weitz, the clothes designer, who, in German uniform, operated in the German Army; former Supreme Court Justice Arthur Goldberg; Russian-born Serge Obolensky; Arthur Schlesinger; John Shaheen, president of Shaheen Natural Resources; Henry Ringling North, and the late Dr. Ralph Bunche.

The sense of irony with which the O.S.S. veterans now view their past was hinted at by Nicholas Deak, now a dealer in foreign currency who parachuted behind enemy lines in the Mediterranean area during the war and then worked in Burma in an operation that involved the capture of Japanese soldiers. When the war ended, he accepted the surrender of the Japanese commandant in Rangoon.

"I still have the sword, of course," he said. "But it's up in the attic."

Lang saw him and turned the corner with purpose, aiming the pistol with both arms.

*When she had Deak in her sights, she froze, transfixed. **“It was as if she’d finally found what she was looking for,”** a witness later testified.*

Deak seized the pause to lunge and grab Lang’s throat with both hands, pressing his body into hers.

She fired once next to Deak’s ear and missed wide, before pushing him away just enough to bring the gun into his body and land a shot above his heart.

The bullet ricocheted off his collarbone and shredded his organs.

*Deak crumbled onto the floor. **“Now you’ve got yours,”** said Lang.*

A witness later claimed she took out a camera and snapped photographs of her victim’s expiring body.

The bag lady then grabbed the banker by the legs, dragged him into his office, and shut the door.
